

Membership Assistance Funding

Changes for 2021:

- MAP application deadline has changed from May 31 to June 15
- MAP grant funding will be based on the current year's paid Golf Canada members at a club.
- There will not be a requirement of 25% self-help for clubs
- Covid-19 related expenses will still be eligible in 2021.
- If your club has more paid Golf Canada members at the end of the year, than were submitted for before the application deadline, your club may qualify for additional funding at the end of the year.
