

**Further update on behalf of NAGA Saskatchewan  
June 5<sup>th</sup>, 2020**

Dear members,

Further to our earlier update, the Province of Saskatchewan today issued revised directions regarding golf within the Re-Open Saskatchewan plan.

- Effective June 5, 2020 washroom facilities in the clubhouse and on the course can be opened with increased cleaning and disinfection, with only one individual allowed at a time.
- Effective June 5, 2020 golf cart restrictions have been removed. Individuals are encouraged to only share a golf cart with members of their extended household.
- Effective June 8, 2020 food and beverage service can resume subject to the Restaurant and Licensed Public Establishments Guidelines in the Re-Open Saskatchewan Plan.
- Effective June 8, 2020 on-course food and beverage service (beer cart / snack shack, for example) can resume service subject to the Restaurant and Licensed Establishments Guidelines in the Re-Open Saskatchewan Plan.

On behalf of the Saskatchewan Allied Association (Canadian Society of Club Managers, Golf Saskatchewan, National Golf Course Owners Association Canada, PGA of Canada, Saskatchewan Zone and Saskatchewan Turfgrass Association), please do not hesitate to reach out to us if you have any questions.

Yours in golf,

  
Brian Lee
