

Alberta Golf Recognition and Prevention of Harassment & Violence Policy

INTRODUCTION

The Alberta Golf Association, operating as Alberta Golf ("Alberta Golf"), is committed to providing a sport and work environment, which promotes equal opportunities and prohibits discriminatory practices. Harassment is a form of discrimination, which is prohibited by human rights legislation in Canada. Alberta Golf supports the right of all its members, whether athletes, volunteers or employees, to participate in all Alberta Golf activities free from any form of harassment or violence. Further, Alberta Golf emphasizes the importance of eliminating harassment or violence in golf as a key element in ensuring the safety of young participants. A sports environment, which actively discourages harassment and violence and builds relationships based on trust and mutual respect, is an environment, which discourages the abuse of children and youth, and encourages the overall development of the individual. In order to further these aims, Alberta Golf will make every reasonable effort to respond swiftly and effectively to complaints or disclosures of harassment or violence.

Some behaviours which might be described as harassment or violence when directed towards an adult, may constitute abuse when directed towards a child or youth by any person with power or authority over the person harassed. This Recognition and Prevention of Harassment & Violence Policy covers the former situation; the Recognition and Prevention of Abuse Policy covers the latter. Together, the two policies address the entire spectrum of abusive and harassing or violent behaviours.

PURPOSE AND SCOPE

It is the policy of Alberta Golf that harassment or violence in all its forms will not be tolerated during the course of any Alberta Golf activity or program. Accordingly, all Alberta Golf expects all individuals (including directors, staff, governors, volunteers and parents/guardians) who are representing or providing a service on behalf of Alberta Golf are responsible for complying with this commitment. Specifically, this includes refraining from harassing behaviour, refraining from violent behaviour and following local, provincial and national policy guidelines for reporting or responding to more serious complaints of harassment or violence. Players and other participants are expected to refrain from harassing or violent behaviour and are encouraged to report incidents of harassment

DEFINITIONS AND CLARIFICATIONS:

Definition of Harassment

Harassment is defined as conduct, gestures or comments which are insulting, intimidating, humiliating, hurtful, malicious, degrading or otherwise offensive to an individual or group of individuals, and which create a hostile or intimidating environment for work or sports activities, or which negatively affect performance or work conditions. Any of the different forms of harassment may be based on the grounds prohibited in human rights legislation, such as race, ethnicity, sex, sexual orientation and religion. Harassment may occur between peers (eg: player to player of the same age group, parent to official, coach to coach) or between someone in a position of power or authority and an adult in a subordinate position (eg: coach to player, sports administrator to employee).

The following is a non-exhaustive list of examples of harassment:

1. unwelcome jokes, innuendo or teasing about a person's body, looks, race, sexual orientation etc.,
2. condescending, patronizing, threatening or punishing actions which undermine self-esteem;
3. practical jokes which cause awkwardness or embarrassment, or may endanger a person's safety;
4. any form of hazing;
5. unwanted or unnecessary physical contact including touching, patting, pinching;
6. unwanted conduct, comments, gestures or invitations of a sexual nature which are likely to cause offence or humiliation, or which might on reasonable grounds be perceived as placing a condition of a sexual nature on employment or on any opportunity for training or advancement, and
7. sexual assault or physical assault.

It is important to note that the behaviours described in items 5 to 7, when directed towards a child or youth, constitute abuse under child protection legislation. This may also be true of other behaviours, for example, certain hazing practices. In such cases, the duty to report provisions of the Recognition and Prevention of Abuse Policy come into effect.

Definition of Violence

- a. the exercise of physical force by a person against a worker, in a workplace, that causes or could cause physical injury to the worker.
- b. an attempt to exercise physical force against a worker, in a workplace, that causes or could cause physical injury to the worker.
- c. a statement or behaviour that is reasonable for a worker to interpret as a threat to exercise physical force against the worker, in a workplace, that could cause physical injury to the worker.

Definition of Workplace

Workplace is defined as anywhere that work is conducted during the course of all Alberta Golf business, activities and events.

The term "harasser" refers the individual that has allegedly done the act of harassment or violence. The term "Respondent" refers to the person against whom a complaint is made.

RESPONSIBILITY AND PROCEDURE

Response and Remedies

It is the position of Alberta Golf that harassment cannot and will not be tolerated. Harassment is unacceptable and harmful. Alberta Golf recognizes the serious negative impact of all types of harassment on personal dignity, individual and group development and performance, enjoyment of the game and in some cases, personal safety.

At the same time, Alberta Golf recognizes that not all incidents of harassment are equally serious in their consequences. Harassment covers a wide spectrum of behaviours, and the response to harassment must be equally broad in range, appropriate to the behaviour in question and capable of providing a constructive remedy. There must be no summary justice or hasty punishment. The process of investigation and settlement of any complaint of harassment must be fair to all parties, allowing adequate opportunity for the presentation of a defence to the charges.

It is also the position of Alberta Golf that violence cannot and will not be tolerated. Violence is unacceptable and harmful. There must be no summary justice or hasty punishment. The process of investigation and settlement of any complaint of violence must be fair to all parties, allowing adequate opportunity for the presentation of a defence to the charges.

Alberta Golf recognizes the serious negative impact of all types of violence including domestic violence. Alberta Golf understands that domestic violence could enter the workplace. Alberta Golf will take every reasonable precaution to protect the worker from any domestic violence that is likely to expose a worker to physical injury at the workplace. Complaints should be handled in a timely, sensitive, responsible and confidential manner. There should be no tolerance of reprisals taken against any party to a complaint. The names of parties and the circumstances of the complaint should be kept confidential except where disclosure is necessary for the purposes of investigation or taking disciplinary measures.

Anyone making a complaint, which is found to be clearly unfounded, false, malicious or frivolous will be subject to discipline.

Procedures for the handling of complaints brought against directors, staff, governors, volunteers and parents/guardians who are representing or providing a

service on behalf of Alberta Golf are detailed in the document attached hereto as Appendix I.

Duty to Report

Abuse and neglect are community problems requiring urgent attention. Alberta Golf is committed to prevent the abuse and neglect of participants. Alberta Golf realizes that persons working closely with children and youth have a special awareness of abusive situations. Therefore these people have a particular reporting responsibility to ensure the safety of Canada's young, by knowing their provincial protection acts and following through as required.

Every province and territory in Canada, except the Yukon, has mandatory reporting laws regarding the abuse and neglect of children and youth; the Yukon requests that concerns be reported. All individuals (including directors, staff, governors, volunteers and parents/guardians) who are representing or providing a service on behalf of Alberta Golf who have reasonable grounds to suspect that a participant is or may be suffering or may have suffered from emotional, physical abuse and neglect and/or sexual abuse shall immediately report the suspicion and the information on which it is based to the local child protection agency and/or the local police detachment. Across Canada a person is considered a child up to the age of 16 to 19 years depending on provincial legislation.

Those involved with Alberta Golf in providing golf opportunities for participants understand and agree that abuse or neglect, as defined above, may be the subject of a criminal investigation and/or disciplinary procedures. Failure to report an offence and thereby, failure to provide safety for participants may render the adult who keeps silent legally liable for conviction under the provincial child protection acts.

All Alberta Golf staff are responsible for the safety of their co-workers. Any employee that becomes aware of domestic violence, against another co-worker, that would possibly expose a worker to physical injury that may occur in the workplace, the employee shall take every precaution reasonable in the circumstances for the protection of the worker. All domestic violence must be reported and handled with sensitivity.

APPENDIX I RECOGNITION & PREVENTION OF HARASSMENT AND VIOLENCE COMPLAINT PROCEDURES

Note: *For convenience, this policy uses the term "Complainant" to refer to the person who experiences harassment or violence, even though not all persons who experience harassment or violence will make a formal complaint. The term "harasser" refers to the individual that has allegedly done the act of harassment or violence. The term "Respondent" refers to the person against whom a complaint is made.*

APPLICATION

1. This policy applies to all individuals (including directors, staff, governors, volunteers and parents/guardians) who are representing or providing a service on behalf of Alberta Golf. It applies to harassment or violence that may occur during the course of all Alberta Golf business, activities and events.

REPORTING HARASSMENT OR VIOLENCE

2. A person who experiences harassment or violence is encouraged to make it known to the harasser that the behaviour is unwelcome, offensive and contrary to the policies of Alberta Golf.

3. If confronting the harasser is not possible, or if after confronting the individual the harassment or violence continues, the Complainant should request a meeting with an Official of Alberta Golf. For the purposes of this Policy, an "Official" is any individual occupying a position of authority within Alberta Golf.

4. Once contacted by a Complainant the role of the Official is to serve in a neutral, unbiased capacity in receiving the complaint and assisting in its informal resolution.

If the Official considers that he or she is unable to act in this capacity, the Complainant will be referred to another suitable Alberta Golf Official.

5. Where a person believes that an individual who is participating in an Alberta Golf activity has experienced or is experiencing harassment or violence and reports this belief to an Official, the Official will meet with the person said to have experienced harassment or violence and proceed in accordance with these procedures.

6. Where an Official believes there is sufficient evidence to warrant laying a formal complaint but the Complainant does not wish to do so, the Official may lay a formal complaint and proceed in accordance with these procedures.

COMPLAINT PROCEDURE

7. There are four possible outcomes to a meeting of Complainant and Official:

- a. It may be determined that the conduct does not constitute harassment or violence as defined in this policy, in which case the matter will be closed;
- b. The Complainant may decide to pursue an informal resolution of the complaint, in which case a mediator, as agreed to by both the complainant and the Respondent, will assist the two parties to negotiate or mediate an acceptable resolution of the complaint; or
- c. The Complainant may decide to lay a formal written complaint, in which case the Official will receive the written complaint and will advise the CEO/Executive Director of Alberta Golf, or designate, who will appoint an independent individual to conduct an investigation of the complaint (the "Investigator"); or
- d. The Complainant does not wish to proceed with a formal complaint but the Official decides that there should be an investigation. In other words, the Official should be allowed to advise the CEO/Executive Director of the complaint, whether or not the Complainant wishes to proceed.

8. The Investigator will carry out the investigation in a timely manner and at the conclusion of the investigation will submit a written report to the CEO/Executive Director, or designate, which will include a recommendation that:

- a. No further action be taken because the complaint is unfounded or the conduct cannot reasonably be said to fall within Alberta Golf's definition of harassment or violence; or
- b. The complaint has merit and should proceed to a hearing.

9. Within 10 business days of receiving the written report of the Investigator that recommends that there be a hearing, the CEO/Executive Director, or designate, will appoint three individuals to serve as a Panel.

10. At the discretion of the CEO/Executive Director, or designate, the investigation

may be waived and a Panel appointed within 10 business days of receipt of a formal complaint.

HEARING

11. The Panel will hold the hearing as soon as possible, but not more than 15 business days after the Panel has been appointed.

12. The Panel will govern the hearing as it deems appropriate in the circumstances, provided that:

- a. Members of the Panel shall select from among themselves a Chairperson;
- b. A quorum shall be all three Panel members;
- c. Decisions shall be by majority vote where the Chairperson carries a vote;
- d. The parties may be accompanied by a representative;
- e. The hearing will be held in private;
- f. The parties will be given 10 business days written notice of the day, time and place of the hearing;
- g. The Respondent will receive a copy of the formal complaint;
- h. The Complainant and Respondent will each receive a copy of the Investigator's report;
- i. Both the Complainant and Respondent will be present at the hearing to respond to the Investigator's report, give evidence and to answer questions of the Panel. The hearing may proceed in the absence of either or both parties;
- j. The Investigator may attend the hearing at the request of the Panel;
- k. Both the Complainant and the Respondent may ask questions of one another as well as the witnesses. The right to question people who are opposite in interest or called as witnesses is a fundamental of a fair hearing.
- l. The Panel may request that witnesses to the incident be present or submit written evidence;
- m. Once appointed, the Panel has the authority to abridge or extend timelines associated with all aspects of the hearing;
- n. In the event that one of the Panel's members is unable or unwilling to continue with the hearing, the matter will be concluded by the remaining two Panel members who will make their decision unanimously.
- o. In the event that the two Panel members cannot reach a unanimous decision, the CEO/Executive Director shall fill the position of the person on the Panel whose position was vacated and shall participate in the decision process.

DECISION

13. As soon as possible, but in any event within 10 business days of the conclusion of the hearing, the Panel will provide its written decision to the Alberta Golf President, or designate, with a copy provided to both the Complainant and Respondent. The decision will contain:

- a. A summary of the relevant facts;
- b. A determination as to whether the acts complained of constitute harassment or violence as defined in this policy;
- c. Disciplinary action against the Respondent, if the acts constitute harassment or violence; and
- d. Measures to remedy or mitigate the harm or loss suffered by the Complainant, if the acts constitute harassment or violence.

14. If the Panel determines that the allegations of harassment or violence are false, vexatious, retaliatory or frivolous, its report may direct that there be disciplinary sanctions against the Complainant.

15. Disciplinary action may include but is not limited to; written warning, temporary suspension, dismissal from position with association, expulsion from event/activity, banishment from further association activities, reporting of incident to authorities.

16. Unless the Panel decides otherwise, any disciplinary sanctions applied shall take effect immediately.

17. The decision of the Panel will be final and binding upon the Complainant, the Respondent and Alberta Golf.

CONFIDENTIALITY

18. Alberta Golf recognizes the sensitive nature of harassment matters and in particular, the difficulties associated with coming forward with a complaint of harassment and with being accused of harassment. Alberta Golf recognizes the interests of both the Complainant and the Respondent in keeping any matter being dealt with under this policy confidential, except where disclosure is required by a disciplinary proceeding or by law.
